[PORTFOLIO](#) | [GITHUB](#) | [LINKEDIN](#)

PROFESSIONAL SUMMARY

Aspiring .NET Developer actively seeking an Internship or Traineeship opportunity. Hands-on experience building web applications using **ASP.NET Core, Web API, Blazor, and Entity Framework Core**. Strong foundation in backend development, RESTful APIs, and database-driven systems. Eager to learn in a professional environment and grow as a software developer.

TECHNICAL SKILLS

- **Languages:** C#, JavaScript, HTML, CSS, PHP, C
- **Frameworks:** ASP.NET Core (Web API, Blazor), Entity Framework Core, LINQ, Bootstrap, Laravel
- **Databases:** SQL Server, MySQL
- **Tools:** Visual Studio, VS Code, Git, GitHub, Scalar

PROJECTS

Anime Media Database Platform

Blazor WebAssembly | ASP.NET Core Web API | EF Core | JWT

GitHub: [AnimeHub](#)

- Designed and developed a full-stack anime media database platform inspired by AniList & IMDb.
- Built RESTful APIs with JWT authentication and role-based authorization.
- Implemented pagination, sorting, and filtering for optimized data access.
- Used EF Core with SQL Server for structured data modeling and persistence.

Food Ordering System

Blazor Server | EF Core | ASP.NET Core Identity

GitHub: [YumBlazor](#)

- Developed a full-stack food ordering application to understand Blazor Server architecture.
- Implemented authentication with ASP.NET Core Identity and OAuth (Google/Facebook).
- Integrated Stripe for payment processing and built admin order management workflows.

Book Management System

ASP.NET Core MVC | EF Core | ASP.NET Core Identity

GitHub: [Bulky](#)

- Built an MVC-based book management system with CRUD operations.
- Implemented authentication and authorization using ASP.NET Core Identity.

Chirper – Microblogging Application

Laravel | PHP | MySQL

GitHub: [Chirper](#)

- Developed a Twitter-like microblogging application as part of a structured Laravel bootcamp.
- Learned Laravel MVC structure, routing, controllers, migrations, and security best practices.

EXPERIENCE

Home Tutor (Part-Time)

Kathmandu, Nepal | Aug 2021 – Jul 2025

- Provided personalized academic support to secondary-level students, strengthening communication, problem-solving, and responsibility.

Content Writer

RajGyan, Kathmandu | Mar 2022 – Jul 2022

- Created educational content on social awareness topics, improving written communication and audience-focused content delivery.

Event Management & Marketing

The SET Council, St. Xavier's College | Sep 2020 – Jun 2021

- Assisted in organizing college-level events and supporting marketing and coordination activities, developing teamwork and leadership skills.

TECHNICAL HIGHLIGHTS

- Built full-stack web applications using ASP.NET Core Web API and Blazor.
- Implemented JWT-based authentication with role-based authorization.
- Designed RESTful APIs with pagination, sorting, and filtering for efficient data access.
- Worked with Entity Framework Core and SQL Server using structured data models.
- Used Git and GitHub for version control and project-based learning.

EDUCATION

Bachelor of Computer Applications (BCA)

Greenfield National College, Bafal | 2022 – Present (Expected Graduation: 2026)

Higher Secondary Education (+2 Science)

St. Xavier's College, Maitighar | 2019 – 2021

Secondary Education (SEE)

Ambrosia Ideal Secondary School, Satungal | 2006 – 2019

ACHIEVEMENTS & ACTIVITIES

- Co-Executive Member, The SET Council (2020–2021)
- Winner, Intra-College Table Tennis Tournament
- Recipient, SEE Excellence Award
